G **A** **D**
Maybe there's some truth to love at first sight,
G **A** **D** **Dsus**
that kismet's real, that fate can ignite
G **A** **Bm** **F#m**
A love that can bloom in the blink of an eye
G **A**
A love so strong no force can deny
D **A** **Bm** **F#m**
Mrs. Bailey may I have this dance?
G **A** **D**
Mr. Bailey now's your perfect chance
D **A** **Bm** **F#m**
Mrs. Bailey may I have this dance?
G **A** **D**
It's been yours since my very first glance

G **A** **D**
Maybe there's some truth in divine destiny
G **A** **D** **Dsus**
That the future's fixed in the cosmos and we
G **A** **Bm** **F#m**
Are ruled by stars and a fortunate wheel
G **A**
I'd like to believe that belief makes it real

CHORUS

Bm **A** **G** **D**
I never believed in pure providence
Bm **A** **G** **Dsus**
in lady luck, wiles, gambits or chance
G **A** **Bm** **F#m**
I never believed it could happen to me
G **A**
That love could strike so remarkably

So maybe there's truth to love at first sight, and fate is not a lie

True love is ruled by a fortunate wheel,

And dreams are made when we make them real
