

## Going to the Zoo – © 2019 Kaufman & Perri

Papa says the bears go fishing at eight  
Ready at seven, we don't wanna be late  
Climb up on the bus find a seat for two  
Saturday fun we're going to the zoo

I know every monkey like the back of my hand  
Jungle cats and alligators wild orangutans  
I know why the cockatoo is painted red and blue  
Telling all my friends, going to the zoo

Laughing at penguins all black and white  
Stay till they close the gates up at night  
Climb through the trees like a wily raccoon  
Sleep with the lions in the afternoon  
All of the things I like to do  
Nothing comes close, going to the zoo, going to the zoo

Train around the park takes you through a waterfall  
Catfish in the creek wacky lizards on the wall  
Bouncing through the grass a red Aussie kangaroo  
Strutting like a boss here comes a big baboon!

Try to count the turtles sitting silent on a log  
Use up all my toes and fingers till I get 'em all  
Cutest little fellow ever Mister Kinkajou  
Only place you'll ever catch him going to the zoo

Barking at Dingo dogs too much fun  
Chasing pink flamingos on the run  
Make like a snake coiled in the shade  
Hot dog lunch with a lemonade  
All of the things I like to do  
Nothing comes close going to the zoo  
Going to the zoo...

Papa says the bears go fishing at eight  
Ready at seven, we don't wanna be late...
