Guess you're feelin' bad girl, angels are weepin' huh?
Achin' down deep no no kind of bottom to that well
Saw your truck out front all full of clothes and shit
Lotta cowboy boots what you got there girl 'bout a hundred pairs?

Hey I'm just makin' idle conversation hopin' you'll start smilin'
A smile'd look good up on your face again (come on)

Better love next time is what, you're gonna get breakin' up
No hard love story, ever lasts forever (lasts forever)
Next time you're rollin' the dice, next time you turn down the lights
Think about who you want right there with you forever (you forever)
Woah, better love, better love next time, better love next time is what
You're gonna get breakin' up

Been the place you been girl yeah a long time
Packing my boots off a closet floor not mine
I don't know why there ain't more ways to stop a fool from hangin' on
When all you take is heartache with you when you're gone

Hey I'm just makin' idle conversation hopin' you'll start smilin'
A smile'd look good up on your face my friend (come on)

Better love next time is what, you're gonna get breakin' up
No hard love story, ever lasts forever (lasts forever)
Next time you're rollin' the dice, next time you turn down the lights
Think about who you want right there with you forever (you forever)
Woah, better love, better love next time
Woah, better love next time is what
Woah, better love, better love next time, better love next time is what
You're gonna get breakin' up
