

## Emmanuel – © 2022 Kaufman & Perri

The wind is soft, and the river's calm

The snow is deep, as the night is long

Rise and walk with me, to the distant bells

Be still and greet, Emmanuel

Look up and see, what the Lord has done

The perfect gift, of His only son

Every angel song, every rising swell

Here to rejoice, Emmanuel

No cries of fear, through the heaven's quake

In joyful jubilee, as the morning breaks

Drummer beat your drum, sound your sweet noel

That all may know, Emmanuel

The wind is soft, and the river's calm

The snow is deep, as the night is long

Rise and walk with me, to the distant bells

Be still and greet, Emmanuel (REPEATS)

Look up and see, what the Lord has done

The perfect gift, of His only son (REPEATS)

Emmanuel

Be still and greet
