Stung me like a tattoo fresh on my skin

Hit me like a straight shot, to the chin

When your lady says “it’s me babe, all me it isn’t you”

You can bet your ass she’s holdin’ back on what she’s goin’ through

Tell me don’t you wanna work it out?

Tell me don’t you wanna walk it back?

Spell it out to me straight and loud

Just don’t just don’t say the answer’s

No more you and I, no more two of us makin’ love

No date-night out, no late-night show

No talk of love, don’t say don’t say the answer’s

No more shotgun seat, you tight to me, yeah feelin’ your heat

No favorite song on the radio, ain’t goin’ believe the answer the answer’s no

Uh huh, ain’t goin’ believe the answer the answer’s no

Uh huh, ain’t goin’ believe

Ain’t like I’m a dreamer dead broke cowboy a fool

Got bank in my pocket, done alright I’d say since leavin’ school

And I know yeah you can feel it, no fakin’ we’re in bed

Give it up ain’t goin’ believe girl this ain’t endin’ up you sayin’ yes
