

Wassup Miami? © 2014 Kaufman & Perri

Mira, aqui estoy; I'm here for you today
Vivito y coleando; Alive and kicking, guay
Miami, tũ tan caliente; It's hot here on the bay
Manda, manda huebos; It's hot down here today

Wassup Miami? Que pasa, guay?
Wassup Miami? Dale, dale
Wassup Miami? Que pasa, guay?
Wassup Miami? Dale, dale

Hay un gato encerrado; Hiding something from me
Se formó, here comes trouble; Straight to Miami
El tiempo lo cura todo; Time cures everything
Tarde, o temprano; You'll be mine darling

REPEAT CHORUS TO BRIDGE

Listen, yo ese I got it all figured out
Miami takes the best you got and brings it to the South
Ese huevo quire sal
We all want something here cuate
Wassup? Que Ubole?

REPEAT CHORUS, TAG AND FADE
